

## Exceeding in all 7 quality areas

We are licensed for 40  
three to five-year-old  
children each day.

We have a highly qualified, experienced  
and dedicated team including three  
university trained educators each day.

Our program runs from 8am to 3.45pm,  
Monday to Friday during school terms.

Three-year-olds 9am to 3.00pm with  
extended hours available.

Something magical happens when  
children are given space to explore.  
Imaginations come alive, and the pace of  
play becomes slower, more relaxed. Our  
program balances structured learning  
and creative play throughout the day.

## What is special about KCP?

- ☆ Our school transition program is internationally recognised
- ☆ We offer daily contact with nature through our natural bushland setting
- ☆ Children have room to explore: we educate 40 children a day within a space that could hold more than 250
- ☆ We are committed to current research and continuing professional development and education
- ☆ We offer a stimulating learning environment with a focus on each child's individual strengths, interests and unique potential
- ☆ We offer an innovative bush preschool program in the Mt Keira escarpment
- ☆ We encourage family participation: families are part of our community

## What is bush preschool?

### Bush preschool is an enriched learning experience in which children:

- ☆ spend unhurried time playing in nature
- ☆ are free to explore, collaborate, communicate and question
- ☆ participate in adventurous journeys to deepen learning
- ☆ develop positive attitudes to themselves as capable learners and citizens

Bush Preschool contributes to each of the 5 Learning Outcomes of the Early Years Learning Framework of Australia.

## KCP Strategic Plan 2016-2020

### Our Purpose

Positioning children and their rights at the heart of our community

### What sets us apart?

We are an innovative community of learners: children, families and staff

### What do we offer?

A place of belonging, discovery and connectedness for children and our community
